## EXPERIENCE

**DigitalGlobe Radiant, Arlington, VA**

Dec 2016-May 2018

(Acquired HumanGeo in Fall of 2016).

**Data Analyst Intern**

Assisted administration tasks including the onboarding process for the HumanGeo side of the company. Conducted data research, data analysis, and several technology mentorships under the Rapid Feedback Team (RFT), operating separately from HumanGeo, for NGA's GEOINT Services clients.

**Key Projects:**

- Under the RFT, worked on the data research team for multiple projects gathering open source data like social media and geological information.
  - Projects were either given to the team by the client or proposed by a fellow team member.
- Used software like Tableau and Excel to analyze and visualize data for projects.
- Pursued mentorships under lead technologist and data analysts on the RFT and HumanGeo sectors of the company.

**The HumanGeo Group, Arlington, VA**

Aug 2014-Nov 2016

**Intern**

Assisted administration tasks including the onboarding process for the HumanGeo side of the company. Managed employee database, compiled receipts, managed meetings, and curated and analyzed articles for clients.

**Key Projects:**

- Tested and curated articles for the Global Terrorism database project.
- Assisted finance in maintaining receipt database as well as filing of physical receipts.
- Managed and updated employee information throughout the onboarding process.
- Assisted CEO in meetings, information releases, and acquiring process of the company.
